Miami-Dade Bar Statement on Recent Attacks in Israel and Gaza

The Miami-Dade Bar unequivocally condemns the recent attacks of the terrorist organization, Hamas, which has resulted in the death of thousands of innocent men, women, children, and babies and which will likely result in even more death and despair. The murdering of innocent civilians and the taking of innocent hostages cannot be tolerated. There can be no room for hate fueled terror in our world.

Israel and the Palestinians have long been at odds with each other, but there is no place where these differences justify the horrific actions of Hamas, a barbaric terrorist organization. Ruthless, brutal, and cruel attacks on civilians is not the answer. We firmly stand against racism, antisemitism, and terrorism.

We pray for those who have lost loved ones and for those who have friends and family held hostage. We hope and pray for peace and an enduring resolution to this conflict.

On behalf of the Miami-Dade Bar,

Suzette Russomanno.
President,
Miami-Dade Bar

For investigations, you need more than a CPA.

Don't misunderstand, our CPAs play critical roles in our financial investigations practice. We're just excited about recent additions that make the team even more powerful. Like Raymond Villanueva, who was Special Agent in Charge for Homeland Security Investigations. And Precious Sanchez, who joined us from the FBI. And Damian Schwartz, who was a Secret Service agent.
